HISTORICAL NOTES:

- On the creation of the CFL in 1958 out of the old CFC, the East Division was formed from the long-standing IRFU. It was renamed the Eastern Conference in 1960 and then the East Division in 1981. The present-day West Division was formed from the older WIFU in 1960, renamed the Western Conference in 1961, and the West Division in 1981.
- 2. $^{\star}\,$ Won the Grey Cup in that season.
- Division Semi-Finals have been held in the one-game format across the CFL since 1965. The two-game format was used in the East only in 1951 and in the West from 1952-64.
- 4. In the East, Division Finals were staged as a two-game total point series in most seasons from 1945 to 1972. The East adopted the one-game final format in 1973 with the exception of 1986 when there was no Semi-Final held in favour of a two-game Final series.
- In the West, Division Finals were staged as a two-game total point series from 1946 to 1949 (1947 required a third game to break a tie). From 1950 to 1971, the Division Finals were staged as a best-of-three series. The one-game format began in 1972 in the West.
 There have been playoff format alterations many times including 1986, 1993, 1994 and
- in 1995 when the CFL was aligned between Canadian and US teams as North-South. 7. ORFU champions played IRFU winners from 1945-52 and WIFU winners from 1953-54.
- ORFU champions played IRFU winners from 1945-52 and WIFU winners from 1953-54
